

'Vynide' for the Doretti

The Swallow Coachbuilding Co. (1935) Ltd.

chose 'Vynide'

FOR HOODS AND TONNEAU COVERS
DOOR CASINGS
AND INSTRUMENT PANELS

— because 'Vynide' is: hard-wearing,
scratch-proof, fire-resistant, stain-proof
— unaffected by petrol, oil and dilute acids.

'Vynide' will keep its smart appearance through years of hard wear. The only maintenance required is an occasional wipe-over with soap and water.

'Vynide' is the registered trade-mark of the p.v.c.-coated fabric manufactured only by the Leathercloth Division of Imperial Chemical Industries Ltd.

'Vynide' — *best in the long run*
